

# High Acuity Conditions

The Kensington White Plains holds an enhanced assisted living license (EALR) for every bed in the community.

We are licensed to provide ongoing comprehensive care to frail or sickly seniors.

We welcome those with complex challenges that other nearby senior living communities are not equipped or licensed to address. To follow is a list of many (but not all) of the conditions we are able to manage.

## COGNITIVE CONDITIONS

- Alzheimer's disease
- Severe end-stage dementia
- Frontotemporal dementia
- Lewy body (LBD)
- Vascular dementia
- Mixed dementia.
- Creutzfeldt-Jakob disease
- Alcohol-induced dementia
- Parkinsonian dementia
